First licencing

After licencing

This agreement is subject to the respectively valid General Terms and Conditions (GTC) of Pop-Audio Productions. All registered songs are reported to the GEMA and GVL automatically. The price list here is for the license fee. You receive a separate invoice over GEMA licenses, the rates can you calling on [www.gema.de](http://www.gema.de). The licencing is completed with the payment transfer on the bank account of Pop-Audio Production.

All prices refer to one project when a new project is started then is a renewed licensing required. The license is valid for whole lifetime for this in the license application indicated project.

If your project published on mass data carriers have to be paid per piece fo license fees.
